

TRANSPORTATION SERVICES

1. Enter description of transportation services offered to pupils, and how it will prioritize planned transportation services for pupils in transitional kindergarten, kindergarten, and any of grades 1 - 6 inclusive and pupils who are low income. Plan may provide for the LEA to partner with municipally owned transit system to provide services to middle and high school students. An LEA may provide no-cost transit passes to students.
Corona- Norco Unified School District partners with First Student Bus company to provide home-to-school transportation services to K-6 grade students who reside more than 2 miles from their designated home school, and to 7-12 grade students who reside in specified outlying areas from their designated home school. No-cost transportation service is provided for specified students through an Individual Education Plan, low-income students, English Learners, students experiencing homelessness, and foster youth. Public transportation is an alternative option for students in our community where stops are readily available.
2. Enter description of LEA's transportation services that would be accessible to pupils with disabilities, and homeless children and youth.

CNUSD provides no-cost home-to-school transportation for students who are identified as foster youth, experiencing homelessness, or receive transportation services as a part of their Individualized Education Plan. Transportation services are provided through our contracted transportation partners.

3. Enter description of how unduplicated pupils, would be able to access available home-to-school transportation at no-cost to the pupils.

The CNUSD Transportation department identifies students who are eligible and ensure they have access to transportation services at no-cost.

CONSULTATIONS

Enter description of the required plan consultation with classified staff, teachers, school administrators, regional local transit authorities, local air pollution control districts and air quality management districts, parents, pupils and other stakeholders.

The CNUSD Local Control Advisory Committee under the Local Control Accountability Plan (LCAP) is comprised of members of all parts of our educational community - teachers, parents, classified employees and administrators. The Transportation plan was presented with updates outlined in Education Code 39800.1 to the Advisory Committee on 2/9/2023 for input, and updates were provided on 1/12/2024.
